COMMENTS FROM THE TOWN MANAGER'S OFFICE

The winter sand is all stockpiled and a smaller amount has been screened and stockpiled for tarring next summer. The motor in the front end loader would not start the second day that sand was being stockpiled. The motor was taken out and sent to the garage in Portland that sold the machine to the town. The trouble was anti-freeze in the motor and a complete motor job will have to be done. The anti-freeze got into the motor because the head was warped. The block is all right but that is about all. Some people might remember that the same thing happened to the grader last December and it ruined the block and all. These two items have been a very heavy drain on the truck rental account and I am afraid that a large deficit balance will be carried over to next year. The rental account has been a sort of joke to some people but it is a very serious item of town business. I will try to explain the mechanics of the account a little later.

There is an ad in the paper this week that gives the details of the Zoning Board of Appeals hearing on October 22.

I am very pleased at the good attendance at the special town meeting. I believe the attendance figure was 94. I consider that a good number for a special meeting. The attendance would have been more except for the fact that the school directors had a meeting the same evening.

The selectmen have not made any commitments to a consulting engineering firm for a sewer study yet. There have been a few stumbling blocks that have held things up but I expect that definite action will be taken in the near future.

MUNICIPAL OFFICIALS TO FORM COUNTY ASSOCIATION

Formation of an Oxford County municipal association was decided upon at a meeting of some 30 officials from area towns in a Tuesday evening meeting at Bethel's Odeon Hall.

Rumford Selectman Stuart Martin was temporary chairman for the meeting, called to see if there was sufficient interest to form a county association of town officials. Officials were present from half the towns in the county.

The organization, to be dedicated to improving local government by exchange of ideas, will be nonpartisan and nonpolitical. It was suggested that such an organization be called the Oxford County Municipal Officials' Association.

Mr. Martin appointed nominating and by-laws committees to report at the next meeting at Mexico on Nov. 3 at 7:30 p. m.

Members of the nominating committee are Donald Buzzell, Fryeburg; Milton Mills, Woodstock; Howard Gurney, West Paris; Lloyd Teaker, Mexico; and Norman Ferguson of Hanover. Named to the by-laws committee were Michael Houlihan, Bethel; Howard Waite, Rumford; and Fred Judkins, Fryeburg.

Information on the workings of a similar organization in Somerset County was offered by Mr. Martin and Mr. Ferguson. John W. True of Mexico was secretary of the meeting.

Voters Approve 'Mobilehome' -- 'Anti-Noise' Ordinances at Monday Special Meeting

Nearly one hundred citizens attended the special town meeting Monday evening at Odeon Hall. Voters approved ordinances concerning Mobilehome Parks, publication of notices covering issuance of building permits and hearings of the Zoning Board of Appeals, an ordinance concerning excessive motor vehicle noise, and authorized town officials to borrow money to improve the West Bethel Water System.

Following selection of Henry Hastings as moderator the meeting considered the "Mobilehome Park" ordinance recommended by the planning board. A motion by John Greenleaf to pass over the article was defeated by a vote of 26-16. The article was approved following the motion of Dr. James Hudson to accept it as read by the moderator. Others participating in the discussion on the article included

Earlon Paine and Charles Heywood, members of the planning board; Paul Kailley and Stanley Brown.

Two articles were approved that concerned publication of notices of application for building permits and hearings of the Zoning Board of Appeals.

An ordinance stating "No person shall operate a motor vehicle upon any street or way in such a manner as to make any loud, unusual or unnecessary noise, which is against the peace, quiet or good order of the town," was adopted following comments by Alton Howe.

Town Manager Michael Houlihan explained the water situation at West Bethel and the need for a new water source and to purchase pumping equipment to distribute the water. The selectmen and treasurer were authorized to borrow money for the project.

S.A.D. 44 Directors Discuss Sites, Curriculum, Salaries at Meeting

Vocational education will not be pursued as strenuously in the new secondary school as earlier believed, directors of S. A. D. 44 were informed at a meeting Monday evening at the Woodstock High School.

Richard Melville, of Greenwood, reporting for the curriculum committee, said indications instead favored a strong industrial arts program to be offered grades 7 through 12.

The committee has requested the aid of the firm of Engelhardt, Engelhardt, and Leggett, in completing the school's curriculum.

It was stated if there were no federally approved vocational education course here, eligible students would have tuition paid to the nearest center offering such training.

Lester Rickford of Greenwood reported the building committee had reviewed prospective sites with its architects, and was talking with owners of feasible locations.

These properties are, land of Harold Bennett estate off U. S. Route 2 in the Mayville section

of Bethel; the Luxton property located on Route 26, about 1 1/2 miles from Bethel village on the Locke Mills road; and the Dock Brooks property, about 1/4 mile off Route 26, one mile from Bethel on the Locke Mills road.

He explained that the so-called Spinnery lot has been eliminated because it was no longer "central." At the time of viewing it, he said, West Paris had been considering joining this district.

The directors approved a policy on the use of school property under it community groups may use the school's property for worthwhile purposes when they will not interfere with the school program or the activities of school-sponsored organizations.

The superintendent is to approve and schedule the facilities use by non-school groups. However, no use shall be for commercial gain or personal benefit. He is to establish regulations and procedures to insure protection and maintenance of the property.

The hills from our school house or anywhere in town are beautiful now. As Helen Hunt Jackson said, "June, You can not rival for one hour October's bright blue weather."

Unlike June though we arrived one morning to find it chilly. Our furnace was not working properly. Mr. Kimball came and fixed it.

The same day Mr. Millett put a load of gravel in our school yard. A car burned up in the school yard leaving glass and ashes making it impossible to use the basketball.

PTA Renews Invitation: Join Now!

As 50,000,000 American children move forward in the current school year, their parents and teachers will receive an invitation, issued to the nation, to join the PTA.

The National Congress of Parents and Teachers now has under way its annual membership enrollment, aiming to add new members as it tackles 11 "critical issues" that affect children today—issues such as financing public education, selecting for a changing society, helping disadvantaged children, easing the peace and coping with the responsibility of parenthood, including sex education.

This undertaking, to be carried out in a three-year action program, "will tax PTA resources in the utmost," says National PTA President Mrs. Jennie M. Mendenhall. "It is not too much to say that the outcome of these issues will have far-reaching, far-reaching consequences for our nation and its children."

A sample of the PTA's effectiveness in action—specifically, action to help disadvantaged children—was its Books for Appal-

This messenger (she's Celia Richman, a first grader at Ray school in Calais) has an invitation for the nation to join the PTA—and help the other 49,999,999 or so children in American schools this year.

palachia program of early 1965, when, in five months, PTA's throughout the country collected more than 1,000,000 children's books and sent them, in bookcase boxes, to the hundreds of barren, one- and two-room schools in the Appalachian mountains.

"This was a special project," Mrs. Mendenhall recalls, "and our routine programs can be equally effective in advancing children's

welfare—in home, school, church and community."

While children in school are the focus of all PTA activity, the National Congress of Parents and Teachers works equally hard to keep parents and teachers learning, too, about children.

Children's complaints about school will get an airing in a forthcoming issue of The PTA

Magazine, used as a basic text by PTA-sponsored study-discussion groups in many communities. In other scheduled articles, parents will be given suggestions on how to prepare for a conference with the teacher, as well as challenging views on IQ tests, ability grouping and student cheating.

The PTA's official magazine also provides regular services to thoughtful parents: previews of motion pictures—graded for children, adolescents and adults; reviews of television programs along with names of their sponsors; regular reports on "what's happening in education" and news of medical developments that affect children's health.

All is information that will be used by PTA's as they program their current attack on critical issues. Other matters on that action calendar are equalizing educational opportunities; clarifying the responsibilities for educational decision-making; extending and strengthening community services;

Combating moral, spiritual, and civic apathy; eliminating certain health and safety hazards and safeguarding individual rights and liberties.

20 SECONDS WITH THE NAZARENE

There are two golden days in the week upon which, and about which, I never worry—two care-free days, kept sacredly free from fear and apprehension.

One of these days is Yesterday; yesterday, with its cares and frets, all its pains and aches, all its faults, mistakes and blunders, has passed forever beyond my recall.

And the other day that I do not worry about is Tomorrow; tomorrow, with all its possible adventures, its burdens, its perils, its large promises and poor performance, its failures and mistakes is far beyond my mastery as its dead sister, Yesterday.

These are God's days! Leave them with Him!

REPORT FROM CONGRESS BY REP. HATHAWAY

The extent to which laws enacted during this first session of the 89th Congress will affect our nation politically, economically and socially will not become fully evident for some time.

However, the impact of this legislation on every state, city, town, family and individual will be considerable and will become increasingly evident as the various programs get underway.

The major elements of the legislative program calculated to bring about the Great Society have been passed. One is impressed by the degree to which they will influence important aspects of American life in future years. Let us review, briefly, these building blocks of the Great Society.

Education.
Aid to elementary and secondary schools will be provided through Federal grants to school districts with large numbers of poor children. There will be grants for the purchase of books, teaching equipment, research and teacher training.

At the college level, there will be scholarship grants for needy students and a loan program for all others qualified to enter college.

Funds will be available to construct new college buildings, purchase books and other teaching materials.

Regional Development.
Funds will be available to aid in economic development. Public

The Week in Oxford County

A first aid course is set for Fryeburg. Glen Bemis, Civil Defense director, announces the seven week course will start October 21. Meetings will start at 7 p. m. Ralph Woodward of East Conway, N. H., will instruct.

Fire of undetermined origin caused an estimated \$5,000 damage to the barn at the Gordon Home for Senior Citizens, Main St., Norway, Monday evening. Elderly residents of the home were evacuated to safety. The blaze was under control within an hour and 15 minutes.

Stephen Mahar, 11, son of Mr. and Mrs. Nelson Mahar, Kerr St., Rumford, suffered head injuries when he fell from a tree in South Rumford Sunday. He was taken to the Rumford Community Hospital and later transferred to the CMG Hospital, Lewiston. His condition was reported as "fair."

It has been confirmed by Norman C. Bates, director of the State Bureau of Public Improvements, that some of the buildings at the Hebron Sanatorium will be demolished. The State Bureau of Purchase will ask for bids for the work in the near future. Bates said there are no plans at present for the use of the remaining buildings.

RECORD BEAR KILL IN SEPTEMBER

During the month of September, hunters and trappers reported taking 274 black bears in Maine. This is the largest number of bear kills ever reported to the Maine Fish and Game Dept. in a single month.

Through the end of September, 520 bears have been reported taken in 1965. This number exceeds the total reported for all of 1964.

The largest bear reported taken to date this year is 417-pound male animal, shot by Nelson Lucas of Miami, Florida, while hunting with guide Pat Freeman at Eagle Lake.

The State of Vermont has registered what is believed to be a record bear taken in that state, an animal weighing 420 pounds. According to Maine's Ass't Game Div. Chief Stephen E. Powell, a Maine bear larger than 420 pounds may turn up if hunters will, if possible, weigh their hog dressed bear before making the bear kill report to the Department.

The weight information can help supply valuable data to the Fish and Game Dept. for use in the future bear management.

Waterford held a special town meeting Monday evening. The citizens voted by a slim margin to join School Administrative District 17. Mrs. Irene Bean until 1966 and Raynor R. Brown until 1967 were elected directors to the district board.

The water pipe line that was started last April in Fryeburg has been completed. The project totals 11,200 feet of piping and 4,000 feet of copper tubing. Seven new hydrants were installed in various sections of the town during the operation.

Citizens of Hebron will vote at a meeting Tuesday on the possibility of joining SAD 17. Oxford will vote Saturday on this question.

Members and prospective members of ski patrols at Mt. Abram and Sunday River will attend a refresher course in Red Cross first aid training starting at 1 p. m. Sunday at Mt. Abram. Officials request that Red Cross cards and registration fee be brought to the meeting in order to register with the national body soon.

It was announced Wednesday that the Northland Shoe Company, Inc., with factories in Biddeford and Freeport, had tentatively agreed to lease the LaCasse garage property on Main Street, Fryeburg. According to tentative arrangements the lease carries an option to purchase the property and would become effective as of Nov. 1. Bertram Wolfson, treasurer of Northland, has stated that his firm intends to advertise for help immediately and will be ready to start operations, possibly by Nov. 1.

"QUICK IS AN EQUAL OPPORTUNITY EMPLOYER"

EDUCATION DEPT. COMMENDED FOR DRIVER ED. COURSES

A member of the Maine Highway Safety Committee has commended the Department of Education for a recent award in driver education. Ronald C. Kugell, a member of the executive board of the MHSC, said that Maine, and the Department of Education can be proud of its efforts to cut down on the appalling toll of highway accidents. Kugell said, "Driver Education is a must, and the record shows that driver education graduates are by far better drivers than their counterparts who have not had an approved driver education course."

Maine was one of only eleven states that received an achievement award from the Insurance Institute for Highway Safety. Maine currently enrolls at least 60% of all eligible students for driver education in the public schools.

GOVERNOR'S COMMITTEE TO SPONSOR ESSAY CONTEST

The Maine Governor's Committee on Employment of the Handicapped will again sponsor the "Ability Counts" Contest for all juniors and seniors in the state's high schools. Employment Security Commissioner Joseph E. A. Cole, committee said recently.

Theme of the contest, basically a community survey report, is "What Handicapped Workers are Contributing To My Community." It has been approved by the National Association of Secondary School Principals and the Executive Committee of the Maine State Principals' Association.

To participate, Cole said students are simply asked to investigate how handicapped workers in their community are proving that "ability, not disability, counts" and prepare a report, not exceeding 750 words, on their finds. Participants will be competing for eight individual awards and an all-expense paid trip to Washington, D. C. to attend the annual meeting of the President Committee on Employment of the Handicapped next spring. Other details of the contest have been mailed.

Dradings for all entries is Jan. 31, 1966.

OUT-OF-CONDITION HUNTERS CAUTIONED

With the deer hunting season about to open, the Maine Fish and Game Dept. warns out-of-shape hunters to avoid over-exerting themselves.

The department points out that according to studies by the American Heart Association, heart attacks while hunting cause three times as many deaths among hunters as do firearms accidents.

According to the Heart Association, deer hunting demands a level of physical output which may be triple or quadruple the level of other types of hunting. Extremes of weather, change of altitude, rough terrain, and the stress of the chase can levy a heavy tax on the heart's capacity.

Like firearms accidents, heart

attacks can be prevented with a little forethought. The key to conditioning the heart for any sport is keeping the body in good physical condition.

The best way to keep in shape is through a year-round exercise program, according to the Association, but if this has been neglected, some pre-season exercising can do a lot of good.

Before going on a hunting trip, the Association advises hunters to have a complete physical examination.

All Tree Farms are on privately owned, taxpaying owned, taxpaying land.

Over 78,000 boys and girls compete each year in the 4-H forestry contest for which many prizes are furnished by the nation's forest industries.

— Mrs. Violet Swain, Cor. —

The annual magazine drive for Andover High School closed Oct. 15 with a dance and the drawing of the awards. General Manager, Roger Jones, reported that approximately \$850 was taken in during the drive and that a certain percent will be turned over to the principal for school activities. The senior class was top sellers with Mary Abbott of the Sophomore Class the highest seller and she was awarded the transistor radio. All VIP sellers had an opportunity to win the record player that Larry Campbell was the winner. Sharon Coolidge won the "Woolly Bully." The student body wishes to thank all those who helped to make this annual drive a success.

Mr. and Mrs. Roger Mills Sr. spent the past week end with their daughter and son-in-law, Mr. and Mrs. Keith Wilson in Salem, N. H.

Mrs. John Macgregor entered the Rumford Community Hospital on Oct. 15. Mrs. George Berringer is also a patient at the Rumford Hospital. The Andover PTA will meet on October 26 at the High School to elect officers and plan the years work. Interested persons are urged to attend.

Mr. and Mrs. Gilbert Hodgins (nee Viola Hutchins) of Frye are the parents of their second daughter born at the

Rumford Community Hospital on October 10. Maternal grandmother is Mrs. Ed Hutchins of North Andover.

A2c George Chase returned to his base at Otis Air Force Base in Falmouth, Mass., on Oct. 17 after spending nearly a week with his parents, Mr. and Mrs. George Chase.

Mr. and Mrs. Thomas Learned, Andover, are announcing the engagement of their daughter, Gail Elizabeth, to Irvin Gene Belanger, son of Mr. and Mrs. Leonard Belanger, Howland, Maine.

Miss Learned is a 1962 graduate of Andover High School, and is presently a senior at Aroostook State College, Presque Isle.

Mr. Belanger is a graduate of Howland High School, and of Aroostook State College. He is presently the Physical Education Instructor at Caribou Junior High School.

A June wedding is planned.

The annual birthday supper served by the October committee of the Congregational Church Ladies Aid was Oct. 14. Decorating the tables and making the Birthday Cakes were

January, Mrs. Bernard Hutchins and Mrs. Harold Richards; February, Mrs. Colby Roberts and Mrs. Arthur Myshall; March, Mrs. Harold Hodsdon and Mrs. John Swasey; April, Mrs. Kenneth Feener and Mrs. Arthur Whitten; May, Mrs. Frank Morgan and Mrs. Leon Akers; June, Mrs. Herschell Hall and Mrs. Malvern Wilson; July, Mrs. Roderick Sidelinger and Mrs. Anna Campbell; August, Mrs. Warren Perival and Mrs. Frederick Greenlow; September, Mrs. John Richardson and Mrs. Lester Farrington; October, Mrs. Donald French and Mrs. Howard Marston; November, Mrs. Arthur Poor, Jr. and Mrs. Mike Clement; December, Mrs. William Swan, and Mrs. James Bodwell; Table 13, Mrs. Merton Fox and Mrs. Roger Mill, Sr.; Table 14, Mrs.

Allison Meisner and Mrs. Harvey McQuire.

The final committee meeting of the Andover Booth for the Hospital Fair was held on Monday morning at 9:30 at the home of Mrs. Thomas Palmatier. All members of the committee were asked to be present and brought in money or tickets that they have in their possession.

The East Andover Community Club met at the home of Mrs. Orville Meisner on Oct. 12 with ten members and three guests present. Pres., Mrs. William Crocker, Sr., conducted the meeting. In the absence of the secretary, Mrs. Sidney Jones, vice president, read the minutes of the September meeting. Treasurer Mrs. Orville Meisner gave a report. Reported that get well cards had been sent out to hospitalized community residents. It was noted that the club's one honorary member, Mrs. Mary Crocker, will be observing her 89th birthday on October 20.

Discussed several projects for the coming months. Superintendent of the East Andover Sunday School, Mrs. Ralph Hovey, gave a report. There are 62 pupils enrolled with classes less than ten.

The nominating committee appointed to find officers for the next two years will be President, Mrs. William Crocker, Sr.; treasurer, Mrs. Orville Meisner, and vice president, Mrs. Sidney Jones.

Meeting adjourned and personal showers were given to Mrs. Robert Shafer and Mrs. Linwood Averill. A jack o' lantern cake for the October birthday and a shower cake for the honored guests were served. Mrs. Robert Hall will entertain with Mrs. Linwood Averill as co-hostess on Nov. 9.

NOW! A WHOLE NEW SERIES OF ULTRA-LUXURIOUS CHEVROLETS

'66 CAPRICE

BY CHEVROLET

Caprice Custom Coupe—with exclusive formal roof line that creates no other Chevrolet.

Caprice Custom Sedan—with superb new body by Fisher, elegant inside and out.

Caprice Custom Wagon—with the new look of hardwood paneling on sides and top.

Everything it takes to create a distinguished luxury car has gone into these new Caprices.

Beneath the formal styling elegance that sets the Custom Coupe apart, for instance, you'll find thick wall-to-wall carpeting, comfort-contoured seats and the look of hand-rubbed walnut on the instrument panel, glove compartment and inside door panels. You can order a finely instrumented console, together with new Strato-bucket front seats.

In the Custom Sedan, a new Strato-bucket front seat is available with bucket-type contours separated by a fold-down

armrest. And in the equally opulent Custom Wagon, offered in 2- or 3-seat models, you can even order carpeting for the cargo area.

Each model rides super Jet-smooth. And for incomparably smooth power, you can specify Chevrolet's advanced Turbo-Jet V8 in either a 396- or 427-cubic-inch version.

The price of it all? Somewhat more than you're used to paying for a Chevrolet. But less, as your dealer will happily confirm—than the price of other fine cars these new Caprices invite comparison with in every detail.

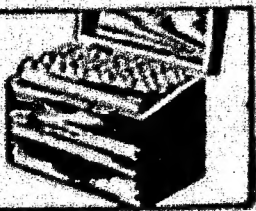

See the new '66 Chevrolet, Chevelle, Chevy II, Corvair & Corvette at your Chevrolet dealer's

IT'S MEMBERSHIP TIME

It's membership time for the Oxford County Extension Association. This is the organization that cooperates with the Extension Service and brings your Extension agents, Mrs. Ruth V. DeCoteau, Mrs. Louise N. Huff, Russell E. Clark, and Frank W. Hazen, to Oxford County.

There are many businesses and individuals who support this organization by paying their dues each year, because they feel the Extension office, and all the information which comes from it, are valuable to them and to others. The Extension Association also supports the 4-H Club program.

This is one organization that believes in teaching people how to do for themselves; it's not a give-away program, but an educational one, and teaches people better ways to "do for themselves."

Repairs were made Sunday on the Androscoggin River bridge by a State Highway Department crew. Holes had broken through the roadway of the 40 year-old span.

S. A. D. 44 MEETING

continued from Page One
Personnel chairman, John Tebbets, reported on possible schedules of teacher salaries for S. A. D. 44 in 1967.

For applicants having a bachelor's degree and no experience, the starting salary now, in Bethel, is \$1,400; in Woodstock, \$1,600.

Mr. Tebbets' projections list \$1,600 as a low minimum in 1967, and \$5,000 as high minimum for the same category.

The maximum for 10 years experience, with the same degree is \$6,400, low; and \$7,000, high. The low figures are below and the high figures above the estimated state average for 1967.

Theodore Chadbourne, transportation and services chairman, presented copies of school bus regulations to be given each student. He also reported an arrangement for a milk program at Raymond Foster School, Newry, which was approved.

The appointment of Paul Morton of Portland as teacher of mathematics at Woodstock High was approved.

MOAL MEET AT

WINTHROP

Sunday, October 17, four Bethel Area MOALs attended an antique car meet at Winthrop.

Upon arriving, a lone Stanley Steamer was all that could be found, but as the morning grew on and the weather warmed a fine turnout of more than twenty cars had gathered.

Some of the more elegant cars were a 1910 Baker Electric, 1907 Stanley Steamer, 1912 Brush and a 1918 Stanley Steamer in which Lin McLean and Hugh Chapman enjoyed a breezy but sensational ride.

Then a parade through town and a much awaited trip to Maynard Leighton's lumber shop to see his admirable collection of vintage vehicles.

The meeting ended here and the group started for home visiting an antique shop on the way.

Those attending from Bethel were: Linda Billings, Richard Fraser, Ian McLean, and Hugh Chapman.

NEW BOOKS AT THE BETHEL LIBRARY

Adults: "Yes I Can," by Sammy Davis and Jane and Burt Boyer. "This is the self-portrait of one of the extraordinary men of our time . . . who dared to live his life not as a Negro but as a man."

"Ramage," by Dudley Pope. "In the book you will meet Lieutenant Nicholas Ramage serving in His Majesty's Royal Navy during the Napoleonic Wars."

Young People: "Senior Dropout," by James L. Summers. This is a Junior Literary Guild selection, chosen as an outstanding book for older readers.

Junior: "The thrilling adventures of the boys who carried 'Seabird' with them on their ocean and air voyages are matched by the strikingly beautiful illustrations by the author-artist, Holling C. Holling."

"The Singing Tree," by Kate Seredy—a beautiful and stirring story.

Dix, N. J. He remained there to take communication training. Hutchins graduated from Andover High in 1961. His address is Pvt. Robert Hutchins U. S. 5147977, Hq., Co. A, 24 Med. Bn., APO 09112, N. Y., N. Y.
